

Konrad Lewandowski

As a former Air Cavalry soldier turned frontend developer, I bring a unique combination of leadership skills and technical expertise to your team. With proficiency in JavaScript, Node.js, HTML, CSS (preprocessors), Jira, and Git version control system, I have contributed to the development of solutions for prestigious clients such as BNY Mellon, AirElite, and LaSalle. I am a strong team player and quick learner, eager to collaborate with other developers and expand my abilities. If you're looking for a driven and versatile developer with a proven track record, I believe I am an ideal candidate for the role.
